Rochester faces a similar problem, although its downtown is far more modern than the city of Winyona. For our neighbors to the west it is overcrowded with shopping malls and it is common knowledge that when the newest, half-mile west of the crossroads center opens, both J.C Penney and Montgomery companies will leave the downtown area. Sears Roubak is now located at a crossroads just as Montgomery Ward moved from downtown to miracle market here. ^ ^ ^ ^ Crossroads Center. General growth properties.
